Chapter 1 by Fractaly

There's always something two brothers need to fight about. This goes especially for brothers who are different. However, Roinam and Tepop are two brothers who are very different but stay together in the worst situations.

Roinam has \$12,000,000 and keeps all his money to himself. Tepop on the other hand lives in an average house but doesn't have much inside it though. How do these two get along? Well, this is how.

Roinam and Tepop never liked each other. That changed during the Great Earthquake of 2005 in Liopita.

One bright summer afternoon, Roinam decided to take a nap in his basement bed. It was all peaceful, until there was a rumble. Roinam woke up and decided to investigate what was going on.

When he got outside, there were huge holes in the ground. There was an earthquake that felt like it had the force of 20 strong giants.
